

# Seeking Research Assistant

## Dr. Jeffrey Mensch

### Economics Department

I am looking for a research assistant to assist me in my research agenda relating to information economics and game theory. The position would include possible opportunities for collaboration and mentorship.

For more information on my research interests, one can visit my website:

<https://sites.google.com/site/jeffreyimensch/research>

The ideal candidate has:

- A strong mathematical foundation
- Some experience with economic models/game theory
- Strong command of English
- Ability to perform literature review
- Familiarity with LaTeX or LyX
- Familiarity with MATLAB, Mathematica, or some other mathematical software

Interested candidates should send their CV and transcripts to [jeffrey.mensch@mail.huji.ac.il](mailto:jeffrey.mensch@mail.huji.ac.il)
